**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an individual, I use my internet for my grandkids homework when they stay with us every other weekend. If we do not have competitive pricing we are not going to be able to afford the service. Please do not let big companies take over and raise prices. Please take the children in consideration in this matter.
